

# **YOU ARE THE BEST WEAPON AGAINST FRAUD**

**Cheating the workers' compensation system drives up insurance and medical costs, forcing employers to charge more to do business, and employees to pay more for goods and services.**

**It's also illegal and prosecutable as a felony. Violators can spend up to seven years in prison and spend up to \$15,000 in fines.**

**If you know someone who is abusing the system, please call Lackawanna Insurance Group at 1-888-280-5225 option #8 or Email us at [reportfraud@ligins.com](mailto:reportfraud@ligins.com)**
